

*999 emergency. What's your emergency?*

Oh my God! It's my boss, Sir Villaroy... He is lying unconscious on the floor with a pool of blood all around him!!! He's holding a gun! He must have shot himself!

*Have you checked to see if Sir de Villaroy is dead? Is he breathing?*

I don't think so.

*I see. Where are you calling from ?*

From the living-room.

*No, I mean what's the address?*

1 Oak Lane West Bromwich

*Who are you, m'am?*

I'm the housemaid, Mrs Studridge.

*Ok Mrs Studridge. I'll have a police officer on his way to check it out. Stay on the line until someone gets there and do not touch anything.*
